

Individuals seeking testing for COVID-19 should consult with their physician or healthcare provider. **LabCorp patient service centers do not collect specimens for COVID-19 testing. Test specimens for COVID-19 must be collected by a physician or other healthcare provider.**

**Your reservation is scheduled for
Wednesday, May 6, 2020 at
9:30am.**

**When you arrive for your visit, we
have two easy ways to check in!**

1. Scan this QR code at the Express tablet to quickly check in for your visit.

2. Or, take advantage of our **“Wait Where You’re Comfortable”** program. Once onsite, click the button below to check-in from your mobile device and wait in your vehicle or other nearby location. We will text you when we’re ready to see you.

I am here and ready for service.

Mobile Check-in will be available
